

2024 GRANT GUIDELINES

ABOUT THE SOUTHERN MONTEREY COUNTY FOUNDATION

Founded in 2014, the Southern Monterey County Foundation (SMCF) is an affiliate fund of the Community Foundation for Monterey County. Our mission is to inspire philanthropy and be a catalyst for strengthening communities throughout Southern Monterey County.

The SMCF provides grants to nonprofit organizations that benefit the communities of Southern Monterey County, **which we define as King City and all points south, excluding the coastal region**. By strategically leveraging our donors' investments, the SMCF aims to bring about positive change for Southern Monterey County.

SMCF GRANTS

Each year, the SMCF determines where its available grant dollars can be invested for greatest impact on our communities' highest priority needs. Using these grantmaking guidelines, the SMCF Advisory Council, made up of community volunteers, carefully reviews grant applications and recommends a slate of grants to the CFMC board, which has final authority in grant decisions.

2024 GRANTMAKING PRIORITIES:

The SMCF seeks to support nonprofit organizations that have the leadership and capacity to provide important community resources and services in Southern Monterey County communities. Funding will be considered for the following types of requests:

- Program Support: for the expansion or refinement of existing programs, as well as new programs that show the promise of impact and sustainability
- Operating Support: unrestricted grants to organizations
- Capital Support: for cost associated with buildings and/or facilities

Preference is given to locally-based organizations that have less access to other sources of support, and where a small grant can make a meaningful difference. Proposals selected for funding will demonstrate strong community support for the project or program and a viable plan for achieving results.

GRANT AWARD:

A total of \$25,000 is available for grantmaking. Applications will be accepted for a maximum grant request of \$5,000. The number and size of grants awarded may vary depending on the Advisory Council's assessment of a proposed project's impact on Southern Monterey County communities. Grant recipients will be expected to use all funds and provide a written evaluation of the project within 12 months of the grant date.

SMCF grants are open to:

- 501(c)3 nonprofit organizations
- Public programs (schools, parks, public health, etc.)
- Church-sponsored activities with benefit beyond their own membership
- Organizations and collaboratives that are not legally incorporated—for these, CFMC requires an agreement with a “Fiscal Sponsor” defined as a tax exempt 501(c)3 organization accountable for financial management of the grant.

- Pre-development or construction costs for facility construction or renovation
- Matching grants to leverage other funding

WHAT GRANT FUNDS WILL NOT SUPPORT:
