A Special Place, a Unique Opportunity

Big Sur has a unique spirit, sense of place and community. Those that live here or enjoy the iconic beauty of this place have an opportunity to improve, protect and preserve its special character. The Big Sur Fund supports the community now and will serve the needs of Big Sur residents for generations to come.

Neighbors Helping Neighbors

The Big Sur Fund was created in 2018 to provide residents, businesses and visitors an opportunity to give back to Big Sur. It is guided by an advisory council which provides oversight, raises funds, defines priorities and recommends grants to benefit the Big Sur area. The Fund has evolved into a responsive way to help the community thrive now and in the future so that nonprofits have a source they can go to year after year.

Mission
