CFCV GRANTS

Each year, the CFCV determines where its available grant support can be invested for the greatest impact on the Carmel Valley communities' highest priority needs. Using these grantmaking guidelines, the CFCV Advisory Council carefully reviews grant applications and recommends a slate of grants once a year to the CFMC board, which has final authority for grant decisions.

2025 GRANTMAKING PRIORITIES

The CFCV seeks to support nonprofit organizations that have the leadership and capacity to provide important community resources and services in the Carmel Valley area (defined as Carmel Valley from Highway 1 to Cahoon Grade, including Cachagua and Jamesburg). The fund supports work in:

- **Community Development:** Build community, improve infrastructure and meet local needs
- **Youth & Seniors:** Expand youth and/or senior programming and services
- **Resident Programs:** Support education, cultural and historical programs

Special consideration will be given to grant applications addressing

- Organizations currently providing services directly located in Carmel Valley/Cachagua, with ease of access for residents.
- Basic needs of Carmel Valley/Cachagua residents (food/housing security, youth programs, etc.)
- Emergency Prevention and/or Response related to:
 - Fire/Disaster needs (e.g., Neighborhood organizing, education for disaster preparedness, etc.). *Please contact us if you have questions about applying for a fire relief grant.*

GRANT AWARD

A total of \$30,000 will be available for grantmaking in 2025. Grants are expected to range up to a maximum of \$4,000. The total grant amount, number and size of grants awarded may vary depending on the Advisory Council's assessment of the proposed project's impact to Carmel Valley communities. Grant recipients will be expected to use all funds and provide a written evaluation of the project within 12 months from the grant date.

WHAT GRANT FUNDS MAY SUPPORT
