Northern Monterey County Foundation

The Northern Monterey County Foundation (NMCF) fosters impactful philanthropy to enhance the lives of those in our region. With a dedicated local advisory council, NMCF not only defines key funding priorities but also actively raises vital resources, ensuring that grants directly support the organizations making a difference in Northern Monterey County. By harnessing the power of place-based giving, NMCF is building a stronger, more vibrant community where every contribution counts.

Neighbors Helping Neighbors

The NMCF provides an opportunity for individuals and businesses to pool philanthropic resources and strengthen the communities of Aromas, Bolsa Knolls, Boronda, Castroville, Elkhorn, Las Lomas, Moss Landing, Oak Hills, Pajaro, Prunedale, Royal Oaks and Santa Rita. It is governed by an advisory council of local residents who have a deep understanding of community needs, appreciation for Northern Monterey County and the tradition of neighbors helping neighbors.

Impact: More than \$285,000 Granted

Since 2017, the NMCF has granted over \$285,000 to nonprofits serving Northern Monterey County communities.

Background

In 2016, visionary leaders from Northern Monterey County came together with a shared commitment to give back to their communities. Their collective efforts resulted in raising over \$125,000, laying the foundation for the creation of the Northern Monterey County Foundation—an enduring resource that continues to empower local organizations and improve the quality of life for residents across the region.

The NMCF is an affiliate of the Community Foundation for Monterey County (CFMC). The CFMC provides financial stewardship, administrative support and the services of a fully accredited community foundation that is held to rigorous National Standards.
