Create Your Legacy

When you name the Community Foundation for Monterey County (CFMC) as your charitable beneficiary, you create a lasting legacy. A Memorandum of Charitable Intent (MOCI – pronounced “Mo-chee”) is a simple document to help you create and direct gifts from your donor advised fund or estate, whether through your will, living trust or beneficiary designation. This simple, flexible process is a complimentary service designed to give you peace of mind in knowing your wishes will be fulfilled.

Easy

- For fund holders, your MOCI instructs us on the future use of your fund.
- For estate gifts, the MOCI instructs us how to direct your gift.

Your successor trustee or executor only needs to write one check.

Expert Guidance

We offer years of trusted community knowledge. We will work with you and your professional advisors to create the plan that best suits your charitable goals.

Flexible

Charitable interests often change over time. You can easily update your MOCI, so there is no need to change the original will or living trust documents.

Stewardship

We check in with you periodically to ensure your MOCI continues to reflect your charitable interests.

Your Gift + Your Instructions = Peace of Mind

- 1 Decide** There are many options to make a gift through your estate or donor advised fund.
Your gift can be a dollar amount, a specific asset, a % of your estate or its remainder. You can also name the CFMC as a full or partial beneficiary of your life insurance policy or retirement account.
- 2 Name** Include the following bequest language in your will or living trust:
“This gift will be made to Community Foundation for Monterey County (CFMC), EIN #94-1615897, a 501(c)3 nonprofit organization, to be directed as described in my most recent Memorandum of Charitable Intent on file with the organization.”
To name the CFMC as the beneficiary of your retirement plan or life insurance policy, the beneficiary name is:
“Community Foundation for Monterey County, EIN #94-1615897, per MOCI.”
- 3 Instruct** Work with us to determine what you want done with your gift. You get to decide the nonprofit(s), amount and timing.

MOCI SCENARIO — DANIEL AND EVA GOMEZ

Daniel and Eva Gomez are long-time Community Foundation for Monterey County (CFMC) donors. They have asked their estate planning attorney to direct 10% of their estate to the Foundation. They estimate that this will result in a gift of about \$100,000.

- In 2015 they established a Donor Advised Fund, the Daniel and Eva Gomez Fund, at the CFMC to recommend grants to their favorite nonprofits.
- Their grants support programs for children and youth and arts and cultural organizations.
- Daniel and Eva also believe strongly in giving local students access to higher education.
- The couple share a life-long interest in hiking and enjoying the beauty of the outdoors.
- Eva's mother, Maria Martinez, passed away last year from cancer. Eva received compassionate end-of-life care from local agencies and wanted to honor her mother's memory.
