

ABOUT

The Community Foundation for Monterey County (CFMC) embraces a countywide vision of **Healthy, Safe and Vibrant communities**. The CFMC's grant programs focus on the people and places of Monterey County, California, highlighting impact and seeking measurable results. CFMC's Board Empowerment Program offers structured support for nonprofits to make meaningful changes in board structure, policy or practices over ten months, with opportunities to embed lasting changes in their culture and practices beyond the program.

Grant Awards

The \$5,000 unrestricted funds are intended to encourage the organization's full engagement in the Board Empowerment Program. Funding from The David and Lucile Packard Foundation is available for up to six organizations. Funding from the Phyllis Geer Krystal Fund for Animal Welfare is available for up to an additional six animal welfare organizations. The CFMC expects to receive more grant requests than is possible to fund.

- The nonprofit is able to describe what an effective and empowered board of directors would make possible for the organization and its impact.
- The board of directors of the organization is open, ready and committed to systemic changes with time available to dedicate to the program.
